

Endodontic Specialists, PC

The easiest root canal you'll ever have

The team at Endodontic Specialists is delighted to introduce our new provider:

Dr. Jaclyn Cruz

Born and raised in the Hudson Valley of New York, Dr. Cruz received her Bachelor of Science degree, *cum laude*, in Biology and Psychology from Rensselaer Polytechnic Institute (RPI), in Troy, NY.

Dr. Cruz matriculated to the University of Pennsylvania School of Dental Medicine, where she received her D.M.D., graduating *magna cum laude*. Dr. Cruz then completed her endodontic residency at Tufts University School of Dental Medicine in Boston, MA.

After completing her specialty training in endodontics, Dr. Cruz moved back to Pennsylvania where she lives with her husband, also a dentist. Dr. Cruz is extremely passionate about endodontics and enjoys saving teeth while relieving her patients' pain. She is known for her gentle and calm chairside manner, and her goal is always to make her procedures as relaxing and comfortable as possible for all of her patients.

It's fast. It's easy. It's comfortable...
It's not your father's root canal!

Dr. Cruz's professional affiliations include the American Association of Endodontics (AAE), the Massachusetts Association of Endodontists (MAE) and the American Dental Association (ADA). Dr. Cruz is also eligible for her Endodontic Board Certification and is working to become Board Certified.

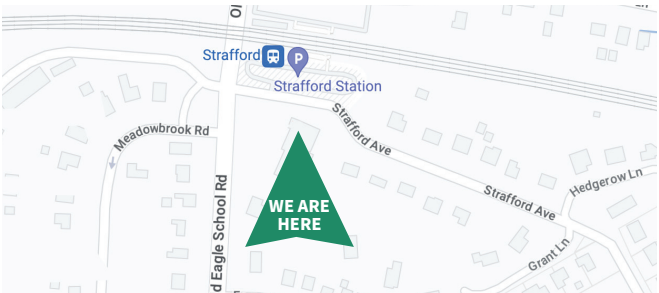

When Dr. Cruz is not working she enjoys spending time with her family and friends in New York and Philadelphia, spending time outdoors, cooking, traveling and going to 76ers games with her husband.

Schedule an endodontic appointment with any of our Endodontists by calling one of our offices.
